

# SOCKET PROGRAMMING ASSESSMENT (COSC264)

Name: Jordan Pyott

Student ID: 87433186

Due: August 16, 2020

This is my Socket Programming Assessment; the source code can be found in this document or on my GitHub: <https://github.com/atidyshirt/COSC264SocketProgramming>.

Documentation for how to use and run both the server can be found on GitHub or via the `-help` command.
